

Let's talk about Connexions

Information, advice, guidance and support

connexions

SOUTH CENTRAL

Connexions is for all young people aged 13 to 19, and up to 25 years for young people with learning difficulties and disabilities.

In school you will meet a Personal Adviser (PA) who can tell you more about us.

You and your PA will talk about:

- ⊙ what you are good at;
- ⊙ what you like doing; and
- ⊙ what you could do after leaving school and in the future.

You can also talk to your PA about anything else that is on your mind, such as:

- ⊙ money;
- ⊙ health; or
- ⊙ relationships.

www.connexions-southcentral.org

PA's can help you decide what to do when you leave school.

They have information on:

- ⦿ school and college courses;
- ⦿ extra support in school, college and training providers;
- ⦿ jobs, work with training and entry to employment (e2e);
- ⦿ supported training and supported employment;
- ⦿ completing application forms, CVs, job searches and interview skills; and
- ⦿ other alternatives, for example, voluntary work or work experience.

Your PA is:

Contacting us

Connexions Personal Advisers offer a service to all young people in school, in college or at your local Connexions centre.

Visit www.connexions-southcentral.org for your nearest centre.

Or contact Connexions Direct. Connexions Direct advisers are available from 8am to 2am, seven days a week.
